**Obj: NON-USE CERTIFICATE OF CONFLICT MINERALS**

Dear Sirs,

based on an internal audit that has involved also our material suppliers, we hereby declare and self-certify that the products supplied to your company do not intentionally contain any of the metals from DCR (Democratic Republic of the Congo) or an adjoining country and they have been manufactured to only source material from environmentally and socially responsible suppliers.

We will immediately inform of any changes and will keep undertaking commercially reasonable due diligence within our supply chain in order to assure that minerals used in supplied materials are not sourced from mines in conflict areas.

Best regards,

Andreas Grüber  
Technical Director
