Conflict Minerals Policy Statement

RAFI GmbH & Co. KG aspires the ending of violence and human rights violations in the mining of minerals from the area known as the „Conflict Region“ in the east of the Democratic Republic of Congo (DRC) and surrounding countries.

We have undertaken due diligence with our suppliers including the provision of written statements that our purchase of tin, tantalum, tungsten and gold originates from outside of the „ Conflict Region“.

RAFI GmbH & Co. KG will not purchase products that contain conflict materials that directly or indirectly finance or benefit armed groups in the DRC or adjoining countries. RAFI GmbH & Co. KG expects its suppliers to respect these aspects of its business to only source minerals from responsible sources.
