DECLARATION OF CONFLICT FREE MINERALS

Dear customer:

CHEFREE Technology Corp. herein declares the metal Conflict-Free on products supplied to customers.

CHEFREE Technology Corp. is taking and will take due diligence within our supply chain to assure "DRC Conflict-Free" for the metals of gold (Au), tantalum (Ta), tungsten (W), cobalt(Co) and tin (Sn) are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups, or unlawful military factions. Trade routes not confirmed to be "Conflict Free" include direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

We would like to confirm metals used in products by Winstar Display Co., Ltd are "DRC Conflict-Free".
