

RAFIX FS - Short-travel adapter on MICON 5

5.05.511.917/0000

The short-travel adapter can easily be inserted into a RAFIX 22 FS+ series pushbutton. The tactile properties of the short-travel keyswitch become noticeable when the pushbutton is pressed. In addition the small footprint of the MICON 5 enables the placement of diverse LEDs, allowing several light functions.
