

Topic: LUMOTAST 75 VDE approval

Dear Sir or Madam,

We regret to inform you that the products of the LUMOTAST 75 series no longer have VDE approval with immediate effect. The VDE-ENEC approval has expired for this product family and will not be renewed. This means that these products will be delivered without VDE-ENEC approval in the future. The approvals CCC, CSA and UL remain valid.

Article Number	Description	Picture
1.15.108.xxx	LUMOTAST 75 illuminated pushbutton LUMOTAST 75 keylock switch	
9.15.108.xxx	LUMOTAST 75 illuminated pushbutton LUMOTAST 75 keylock switch	

Please do not hesitate to contact us if you have any questions. Please contact the contact person you know. Further information about our products can be found in the RAFI eCatalog: ecatalog.rafi-group.com

We thank you for the trust you have placed in us and our products and look forward to further cooperation with you.

Best regards,

Product Management

The information in this sheet only contains general descriptions and / or performance features, which may not apply precisely as described to the respective application, and which may change due to further product enhancements. The technical data, illustrations and other information about our products are the mere results of individual technical testing. These descriptions and other product features are only binding if they expressly agreed upon at the time of the conclusion of a binding contract. In all other cases, we reserve the right to make technical changes as well as changes of availability. Pictures and other graphic illustrations are approximations only. All product names may be trademarks or brand names of the RAFI Group or any other sub-supplier of RAFI. The use of such by any third parties for their own purposes may infringe the rights of the respective entity holding those rights. Subject to change and errors excepted. Details about delivery times and availability are noncommittal and have no legal force.
